PROFILE

My name is Nikita Stetskiy, and I am a Computer Engineer specializing in IT. Currently, I am developing my career as a Cloud Architect at IBM.

In this role, I create and manage robust, scalable cloud architecture solutions. I emphasize my work in design, networking, automation, and development to gain a thorough understanding of all layers of a solution.

Highly motivated to work on new challenges to enhance my skills.

WORK EXPERIENCE

Cloud Architect - Techincal Sales Specialist   2023 - present
Full time in IBM - Madrid

As a Cloud Architect, my role is to craft solutions that meet client needs. This involves designing architectures, creating detailed diagrams, and providing accurate cost estimates for a robust and complete cloud solution.

- Developed proposals for public contracts, addressing the need for new VMware environments, including backup and monitoring services.
- Achieved a reduction of expenses of over 50% in PoC accounts.
- Assisted various teams and internal initiatives during my internship, contributing to the creation of multiple web projects.

DevOps & Cloud Engineer   3 months (2023)
Internship in Ericsson - Málaga

Streamlined deployments using CI/CD and Jenkins, and effectively managed containers and application scaling with Docker and Kubernetes.

Maintenance of services and web pages   6 months (2021)
Internship in University of Granada

Maintained the Students' Information Office website, including a job board and internal platforms. Performed system maintenance and developed applications and web pages.

EDUCATION

Bachelor's Degree in Computer Engineering   2017 - 2022
University of Granada, Spain

Degree in Computer Engineering (IT specialization), experienced in planning, deploying, and managing IT projects. Led project implementations and achieved a final project grade of 9.7.

One semester's exchange program   6 months (2022)
University of Seoul, Korea

Developed multicultural communication skills and cultural awareness by studying abroad and engaging with people from diverse backgrounds.
